

# Trackensure ELD

[dispatch@trackensure.com](mailto:dispatch@trackensure.com)

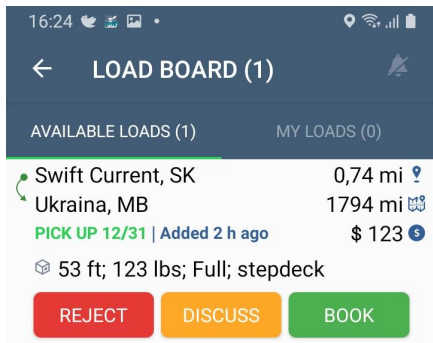

+1(888)995-7850 (Ext. 1010 for dispatch)

# Load Board

With the new Load Board functionality our dispatchers can offer you cargoes directly in your TrackEnsure App.

# Load Board

When our dispatcher is offering you a cargo, they send all the necessary information to your TrackEnsure App:

- load and unload locations
- the loading date
- driver's distance from the loading location
- total distance
- the cost of the order
- parameters of the cargo and the trailer

Driver can react by clicking on one of the 3 buttons:

Reject - driver rejects the offer

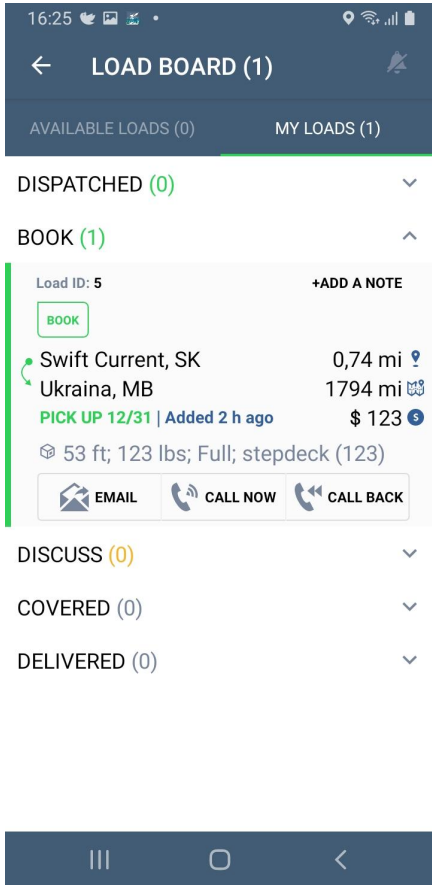

Discuss - driver wants to further discuss the details with the dispatcher

Book - driver accepts the cargo

After clicking on 'Discuss' or 'Book' buttons, the offer moves to 'My Loads' tab.

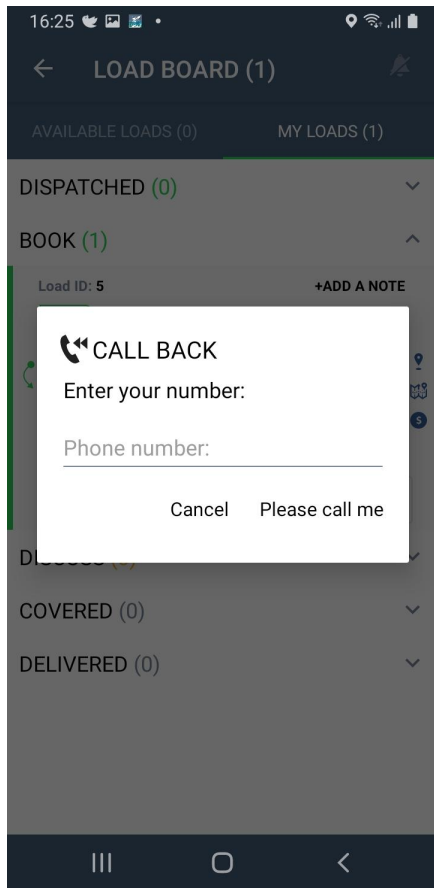

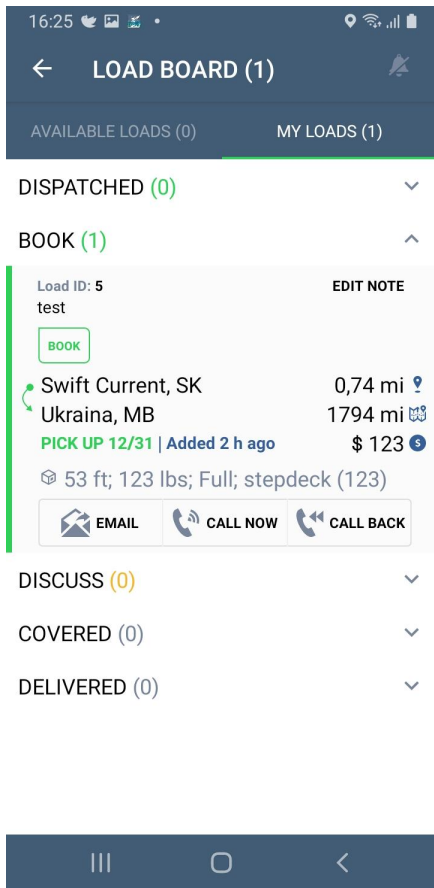

# Load Board

‘My Loads’ tab has all the cargoes in which the driver expressed interest:

1. Dispatched - cargoes that the driver is about to pick up
2. Book - cargoes that the driver is ready to load
3. Discuss - cargoes in which the driver is interested, but he wants to further clarify the details
4. Covered - cargoes in which the driver was interested, however another driver was assigned (will vanish from the list once the pick up date passed)
5. Delivered - delivered cargoes (will disappear from the list after 1 month)

# Load Board

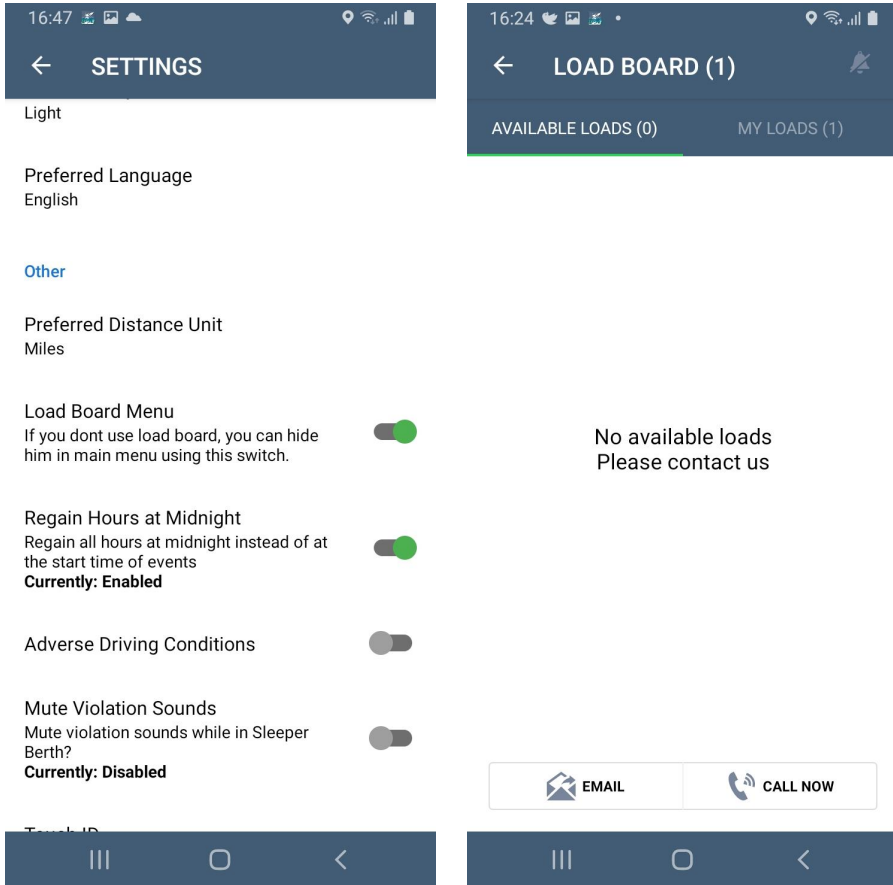

After driver expresses his interest in a cargo, additional information and functionality emerge, such as:

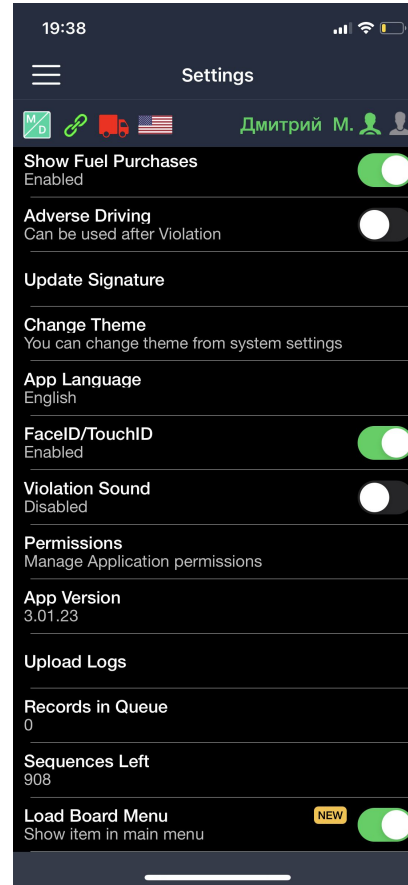

1. Adding comments
2. Dispatchers' comments are shown in parentheses ('123' on the picture)
3. Ability to email the dispatcher regarding the cargo
4. Ability to call the dispatcher
5. Option to leave your phone number for the dispatcher to call you back

# Load Board

## Android

## iOS

The Load Board functionality can be disabled in the Driver Profile or in Settings.

To turn off the notifications, please go to the 'Load Board' tab and click on the bell sign in the right upper corner.

# Load Board activation for all the drivers

Fleet Manager can activate or deactivate the 'Load Board' functionality for all the drivers by checking the box 'Send Loads offers to Drivers' which is located in Settings -> Options -> System Options -> section 'Dispatching'.

The screenshot displays the Fleet Manager settings interface. On the left, a dark navigation menu lists various settings categories: General, Assets, GPS Devices, Drivers, Fuel Control, Departments, Wall Management, Data Providers, Data Consumers, User Management, Options (highlighted with a red box), Address Book, Dispatchers, Store, and Payments. The main content area is divided into two columns. The left column contains settings for 'POPULATION LIMIT' (with a checkbox 'Enable population limit in 5000 people') and 'APPLICATION NOTIFICATION' (with a checkbox 'Notification for required DVIR 15 min at last 24 hour:'). The right column contains settings for 'SENSORS' (with a checkbox 'Allow Display Sensors') and 'DISPATCHING' (with a checkbox 'Send Loads Offers to Drivers' highlighted by a red box). Each setting card includes a 'Save' button.

# Load Board activation for a particular driver

Fleet Manager can activate or deactivate the Load Board for a particular driver by checking the box 'Activate Load Board' which is located in Drivers' Profile (Settings -> Driver -> Driver Name -> Update)

The screenshot shows a settings page for a driver. On the left, there is a list of settings with checkboxes. The 'Activate Load Board' checkbox is checked and highlighted with a red rectangular box. To the right of each setting is a dark blue button with white text that says 'Set For All Organization's Drivers'. Below the settings list, there are tabs for 'Document', 'Upload Photo', 'Communications', 'Additional Info', and 'Payment'. A '+ Add Document' button is located at the bottom right. At the very bottom, there is a table header with columns: NUMBER, TYPE, ISSUED DATE, EXPIRY DATE, DESCRIPTION, ATTACHMENT, and ACTIONS.

NUMBER	TYPE	ISSUED DATE	EXPIRY DATE	DESCRIPTION	ATTACHMENT	ACTIONS
--------	------	-------------	-------------	-------------	------------	---------
